## Water Main Replacement Group Job 3008: E-Newsletter #16 | Oct. 26, 2009

This is the 16th e-newsletter for Water Main Replacement Group Job 3008. The e-newsletter will be distributed bi-weekly for the remainder of the project to keep the community informed about construction progress. The next e-newsletter will be distributed the week of November 9, 2009.

### Project Description

The water main replacement work for Group Job 3008 is well underway. Group Job 3008 consists of two sections - Group Job 532 and 533. Construction crews are now replacing the existing cast-iron mains that are nearly 60-years old and are at the end of their service life.

### The project will:

- replace 17,979 feet of 16" cast iron water mains
- improve service reliability
- minimize future water main breaks caused by aging pipes
- increase the size of existing pipes to better serve the area

**Total project cost is \$5,777,000.**

### Contact Information:

#### Water Department's 24-hour Emergency Services Hotline:

(619) 515-3525

#### Group Job Public Information Line:

(619) 533-4207

#### General FAQs:

[www.sandiego.gov/engineering-cip](http://www.sandiego.gov/engineering-cip)

Construction crews install 16" diameter pipe along N. Harbor Drive during night work hours.

### Upcoming Construction Activities

During the weeks of Oct 26 & Nov 2 construction will occur in both Group Job areas. (See map.)

#### Group Job 532:

##### Day Work

- Install fire hydrants along N. Harbor Drive.

##### Night Work

- Place trench cap along N. Harbor Drive beginning at Broadway going north to Ash Street.
- Complete installation of 16" diameter pipe located 200' south of the intersection of N. Harbor Drive and Laurel Street.

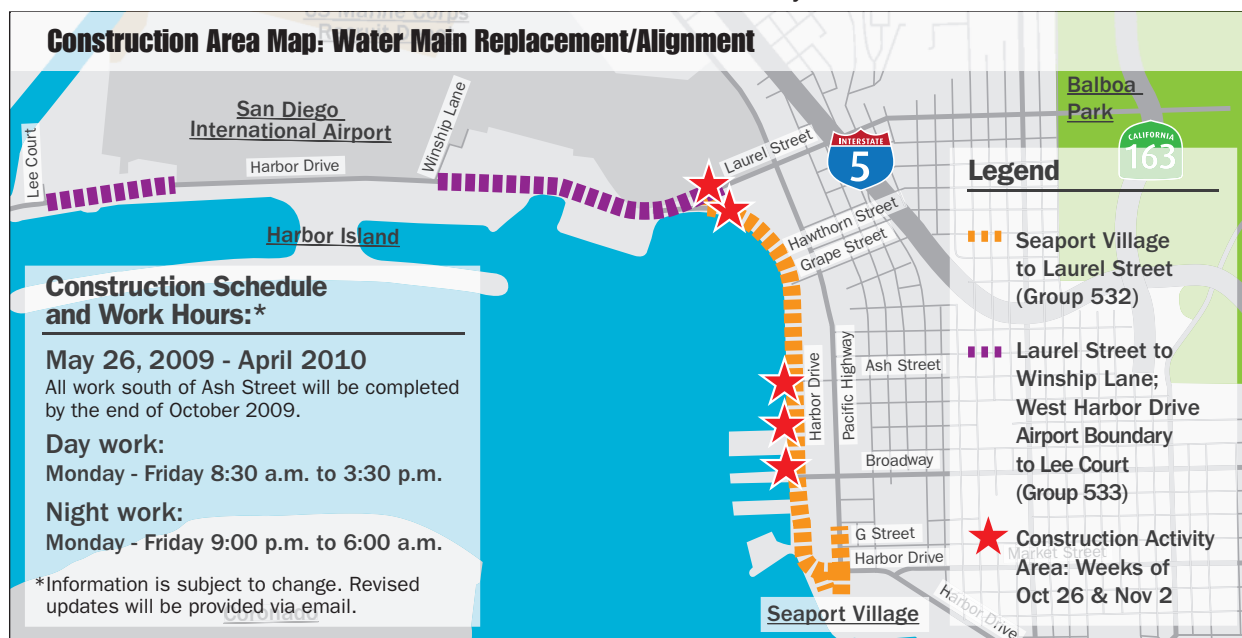

#### Group Job 533:

##### Day Work

- Begin installation of 16" diameter pipe at Laurel Street merging onto N. Harbor Drive.

#### Traffic Control for both Group Job areas:

During construction work hours, occasional road closures may occur.
